"Friends Forever"
for parents & their children,
ages pre-K - 8th grade

YMCA Adventure Guides, formerly YMCA Indian Guides, is a school-year program for parents & their children, Pre- K through 8th grade. YMCA Adventure Guides enables you to get to know your child through fun and organized activities. This program includes a strong emphasis on the parent and child doing activities together, earning patches that reflect the Adventure Guides core values. Imagine hiking through the wilderness, going on campouts together and participating in special events like Pinewood Derby races, Swim and Pizza Parties and more! This program provides well organized, scheduled quality time with your child. For busy parents, this simplifies planning...just pencil it on your calendar and show up! Both you and your child will meet new friends and most importantly, you can really learn to communicate and be friends with your child. Childhood is a special time. The Adventure Guides program is an ideal way to share the excitement as your child experiences many new things with you for the first time, creating memories that last a lifetime. Join us!

**Join us for an informational meeting
to find out what we are all about:**
