

# YMCA Summer Day Camps

*Making new friends, trying new activities, learning new skills... this is what the South DeKalb Family YMCA Summer Camp program is all about! Your child will develop spirit, mind and body through recreational and educational outdoor adventures. Building on the YMCA's character development values of caring, honesty, respect and responsibility is the core of our camp program.*

*We offer a premier day camp program with convenience and professionalism that sets it apart. Our renowned valet pick-up service guarantees your child will be ready when you come to pick them up. Camp counselors serve as positive role models. They are selected for their maturity, skills, enthusiasm, experience, and desire to be involved with children. All staff receive professional training emphasizing safety, child development, teaching methods, and group dynamics.*
