for the impact.

For more than 150 years, the Metro Atlanta YMCA has served the greater needs of the most dynamic city in the South. The Y's priority is to strengthen kids, families and communities. Our emphasis on inclusion and diversity enables people of all abilities, ages, beliefs, cultures, faiths, and incomes to participate in Y programs.

Older adults come to the Y for social, recreational and wellness programs. Young people with physical or developmental disabilities find new friends and discover new activities like team sports, swimming and group outings. Specific community needs, like soccer for refugee children or organized parent-child activities, are met through existing or new Y programs.

Our YMCA is committed to providing financial assistance to those who cannot afford the full price of Y programs. That's the purpose of the Partner With Youth annual campaign. All annual campaign funds remain in our local community, giving children and families an opportunity to get involved in Y programs. The need to provide positive programs for young people becomes greater each year. We rely on charitable contributions from friends like you.

Meet Sam Voige - YMCA Volunteer

For the past three years Sam has been volunteering for the Happy Club, which provides socializing and enrichment activities for mentally and physically challenged youth, at the Cowart Family - Ashford Dunwoody YMCA.

"I've gotten to know these kids as they enjoy a night out at the movies, attend a dance for the first time or experience an overnight with friends," says Sam. "Plus, Happy Club gives parents a much needed-break from the full-time care their children require. It seems so simple, but what we do for these families is tremendous. This is just one thing that makes the YMCA so great. Without the Partner With Youth annual campaign, none of this would be possible."
