for the impact.

At the Metro Atlanta YMCA, we know that being a kid in today's world is a challenge unto itself. That's why we developed first-class early childhood development, after-school and summer programs to educate and nurture kids. The YMCA is the place where they can have fun, learn and grow.

YMCA after-school care and summer camp provide kids with supervised programs once the bell rings. These programs are especially beneficial for kids without adult supervision when school is out. Young people are mentored by the Y's well-qualified and trained staff. They assist with homework, read and are there for support and encouragement. Added benefits include learning core values like caring, honesty, respect, and responsibility.

Our YMCA is committed to providing financial assistance to those who cannot afford the full price of Y programs. That's the purpose of the Partner With Youth annual campaign. All annual campaign funds remain in our local community, giving children and families an opportunity to get involved in Y programs. The need to provide nurturing programs for young people becomes greater each year. We rely on charitable contributions from friends like you. Please give today!

## 2009 Impact

Because of the collective influence and impact of your hard work, donations and support in 2009, more than 250 campers were positively impacted through generous Partner With Youth annual campaign contributions totaling \$150,000.

### Meet Keon

Keon has attended YMCA Camp High Harbour for a few years. He just completed his Leader in Training (LIT), which is a three week program for our aspiring leaders, this past summer at Rabun Gap, and was awarded LIT of the week.

"I really enjoyed the white water rafting as well as hanging out with the campers," says Keon. He wants to continue coming back to Camp High Harbour in the future possibly as a staff member. At camp, Keon has "learned how to become a better leader as well as new ways to clean and new games to play with the campers." He has grown a lot through camp and is now a young,

influential leader at YMCA Camp High Harbour for our campers.
