For more than 150 years, the Metro Atlanta YMCA has served the greater needs of the most dynamic city in the South. The Y's priority is to strengthen kids, families and communities. Our emphasis on inclusion and diversity enables people of all abilities, ages, beliefs, cultures, faiths, and incomes to participate in Y programs.

Older adults come to the Y for social, recreational and wellness programs. Young people with physical or developmental disabilities find new friends and discover new activities like team sports, swimming and group outings. Specific community needs, like soccer for refugee children or organized parent-child activities, are met through existing or new Y programs.

Our YMCA is committed to providing financial assistance to those who cannot afford the full price of Y programs. That's the purpose of the Partner With Youth annual campaign. All annual campaign funds remain in our local community, giving children and families an opportunity to get involved in Y programs. The need to provide positive programs for young people becomes greater each year. We rely on charitable contributions from friends like you. Please give today!

## 2009 Impact

YMCA members, volunteers, businesses and leaders in our community contributed more than \$97,000 to our 2009 Partner With Youth annual campaign to improve the lives of over 1,000 Cobb children, families and active older adults.

### Meet Courteney Jenkins

Prior to Courteney coming to the YMCA in the spring of 2009, she participated in self destructive behaviors and was confused and insecure. Through the support of the YMCA, she became involved in mission-related work through our teen programs. Today, she has become an active teen participant and volunteer. She finds great inspiration from the mission of the YMCA. "The YMCA is a place of peace and support where I can find staff and adults who will be here for me, and the YMCA gives me a sense of pride." The Y has made a positive impact in her life and

she spends her time helping others and spreading the influence.
