for the impact.

For more than 150 years, the Metro Atlanta YMCA has served the greater needs of the most dynamic city in the South. The Y's priority is to strengthen kids, families and communities. Our emphasis on inclusion and diversity enables people of all abilities, ages, beliefs, cultures, faiths, and incomes to participate in Y programs.

Older adults come to the Y for social, recreational and wellness programs. Young people with physical or developmental disabilities find new friends and discover new activities like team sports, swimming and group outings. Specific community needs, like soccer for refugee children or organized parent-child activities, are met through existing or new Y programs.

Our YMCA is committed to providing financial assistance to those who cannot afford the full price of Y programs. That's the purpose of the Partner With Youth annual campaign. All annual campaign funds remain in our local community, giving children and families an opportunity to get involved in Y programs. The need to provide positive programs for young people becomes greater each year. We rely on charitable contributions from friends like you. Please give today!

2009 Impact

In 2009, because of the generous contributions made by the Andrew & Walter Young Family YMCA's friends and members, more than 3,000 children and families were positively impacted by the Partner With Youth annual campaign.

This is your opportunity to share the Y with others. Give a child a place to belong. Offer programs to those who have the least and need us the most. Every cent goes directly to children and families in our community, and your donation is tax deductible. What you do today can mean changed lives, stronger communities and brighter futures tomorrow.

Thank you.
Robert & MaKara Rumley

Meet Tynesha Anderson

The Andrew & Walter Young Family YMCA has molded me into a responsible and smart young lady. At the age of 12, I lost my father who was my inspiration, motivation, and best friend. Without him in my life, my grades, interest in school, and self-esteem started to decline. However, all of this changed when the YMCA became part of my life.

Through the YMCA's teen programs, I have developed a passion for writing and drama. I am now able to express myself through

poetry. Because of the YMCA, I have ultimately changed my entire way of thinking ... I AM Tynesha Anderson, beautiful and destined for greatness!
