for the impact.

For more than 150 years, the Metro Atlanta YMCA has served the greater needs of the most dynamic city in the South. The Y's priority is to strengthen kids, families and communities. Our emphasis on inclusion and diversity enables people of all abilities, ages, beliefs, cultures, faiths, and incomes to participate in Y programs.

Older adults come to the Y for social, recreational and wellness programs. Young people with physical or developmental disabilities find new friends and discover new activities like team sports, swimming and group outings. Specific community needs, like soccer for refugee children or organized parent-child activities, are met through existing or new Y programs.

Our YMCA is committed to providing financial assistance to those who cannot afford the full price of Y programs. That's the purpose of the Partner With Youth annual campaign. All annual campaign funds remain in our local community, giving children and families an opportunity to get involved in Y programs. The need to provide positive programs for young people becomes greater each year. We rely on charitable contributions from friends like you. Please give today!

2009 Impact

Because of your collective impact in 2009, more than 750 children and families were positively impacted through generous Partner With Youth annual campaign contributions. Your donations helped to provide scholarships that allowed families in our community become part of the Y family. Share the Y with others. Give a kid a place to belong. Offer programs to those who have the least and need us the most. Every cent goes directly to children and families in our community, and your donation is tax deductible. What you do today can mean changed lives, stronger communities and brighter futures tomorrow. Please give generously.

Meet Joseph and Lorenzo Woodward

When Joseph and Lorenzo Woodward first joined The Villages at Carver Family YMCA, they did what most teenage boys do when they come to the Y: they joined the sports teams. It was between seasons that we really found out what sets these boys apart from their peers - their commitment to the Y!

For Joseph, an 18 year old senior at Carver High School, meeting our Sports Director Tory Joyner, or "Coach Tory" as Joseph calls him, was all it took. Joseph says, "I look up to Coach Tory because he's taught me a lot."

Lorenzo, 16, also a student at Carver, counts our Teen Director Stephen King as one of his mentors. "He has gotten me involved in something. He's teaching us how to be successful."

Lorenzo and Joseph think of the YMCA as a second home that offers a safe environment and keeps them out of trouble. "As I get older, I've realized that the Y has taught me so much. It's taught me how to be a man. It has helped me become the person I am," says Lorenzo.
